

# Annual Refresher Course

## BREAST IMAGING

MARCH 3, 2018

*Course Directors: Roberta diFlorio-Alexander, MD, MS, Regina Hooley, MD, Ana Lourenco, MD, Priscilla J. Slanetz, MD, MPH, Amanda Demetri-Lewis, DO*

7:30 a.m. Breakfast

## TOOLS AND TECHNIQUES

Priscilla Slanetz, MD, MPH, FACR, Moderator

7:55 a.m. Welcome

8:00 a.m. Breast Ultrasound

Manisha Bahl, MD, Massachusetts General Hospital

8:25 a.m. Digital Breast Tomosynthesis — Indications and Pitfalls

Madhavi Raghu, MD, Yale University

8:50 a.m. Imaging of the Pediatric and Male Patient

E. Jane Karimova, MD, Beth Israel Deaconess Medical Center

9:15 a.m. Q&A

9:35 a.m. Break

## MULTI-MODALITY BREAST AND AXILLARY IMAGING

Roberta diFlorio-Alexander, MD, MS, Moderator

10:05 a.m. High Quality, Multi-Modality Imaging

Stamatia Destounis, MD, Elizabeth Wende Breast Care, Rochester, NY

10:35 a.m. MR Guided Breast Biopsy: Tips and Challenges

Petra Lewis, MD — Dartmouth Hitchcock

10:55 a.m. Axillary Lymph Node Assessment and Management

Robert Ward, MD, Brown University

11:15 a.m. Surveillance of the Treated Breast

Carolynn DeBenedictis, MD, University of Massachusetts

11:35 a.m. Q&A

12:00 p.m. Lunch

12:30 p.m. Update on Current ACRIN Trials (TMIST), Abbreviated MRI and MRI for DCIS

Etta Pisano, MD, Beth Israel Deaconess Medical Center  
Amanda Demetri-Lewis, DO, Moderator

## HOT TOPICS IN BREAST PRACTICE

Roberta diFlorio-Alexander, MD, MS, Moderator

1:30 p.m. Improving Practice Efficiency

Stamatia Destounis, MD

2:00 p.m. Evolving Management of High Risk Lesions on Percutaneous Core Biopsy

Pragya Dang, MD, Brigham and Women's Hospital

2:20 p.m. MR Challenging Cases: An Interactive Session

Ana Lourenco, MD, Brown University

2:40 p.m. Q&A

3:00 p.m. Break

## SUPPLEMENTAL SCREENING AND RISK MANAGEMENT

Priscilla Slanetz, MD, MPH, FACR, Moderator

3:30 p.m. Managing DCIS in 2017

Daniel Kopans, MD, Emeritus Massachusetts General Hospital

4:00 p.m. Supplemental Screening of Women with Dense Breasts and Elevated Risk

Elizabeth Dibble, MD, Brown University

4:30 p.m. Anatomy of a Case — How to Avoid Ending Up in a Courtroom

Priscilla J. Slanetz, MD, MPH, FACR

5:15 p.m. Q&A

## COURSE ORGANIZERS:

Regina Hooley MD

Yale-New Haven Health

Ana Lourenco MD

Rhode Island Hospital, Women and Infant's Hospital-Brown University

Roberta diFlorio-Alexander, MD, MS

Dartmouth-Hitchcock Medical Center

Priscilla J. Slanetz, MD, MPH

Beth Israel Deaconess Medical Center

Amanda Demetri-Lewis, DO

York Hospital

## PROGRAM DESCRIPTION:

This popular interactive course will provide a morning discussion of updated tools and techniques of breast imaging, including breast ultrasound, digital breast tomosynthesis, breast MRI biopsy pitfalls, and surveillance after breast cancer treatment. The afternoon session will focus on evolving management of high-risk lesions and DCIS, challenging breast MRI cases, supplemental screening for women at high risk, and a case-based session on risk management. The lunchtime presentation will outline ongoing breast imaging trials of the American College of Radiology evaluating tomosynthesis and abbreviated breast MRI screening.

## OBJECTIVES:

As a result of participating in this activity, learners will be able to:

- Apply updated management strategies for high-risk breast lesions.
- Perform ultrasound of the axilla with updated guidelines for management of axillary lymph nodes.
- Understand supplemental screening of women with dense breasts.
- Perform appropriate imaging of pediatric and adult patients with clinical breast abnormalities.

## ASRT CREDITS WILL BE APPLIED FOR.

### AMA CREDIT DESIGNATION STATEMENT

The Massachusetts Medical Society designates this live activity for a maximum of 8.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### RISK MANAGEMENT CREDIT

1.5 credits meet the criteria of the Massachusetts Board of Registration in Medicine for Risk Management Study.

### ACCREDITATION STATEMENT

The Massachusetts Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

## SECOND ANNUAL NERRS CORE CASE REVIEW COURSE

SATURDAY, SUNDAY, AND MONDAY, MAY 5, 6, AND 7, 2018

Partners Assembly Row, 399 Revolution Dr., Somerville, MA

*Course Directors: Harprit Bedi, MD, Roberta diFlorio-Alexander, MD, MS and Stacy E. Smith, MD*

A Comprehensive, Interactive Review for the core exam: please visit [NERRS.com](http://NERRS.com) for additional information and registration.

## INFORMATION CONCERNING APPLICATION FOR MEMBERSHIP:

1. Applicants are urged to read the Society's bylaws and code of ethics, especially those sections pertaining to requirements for membership and principles for the ethical practice of radiology. If you have not already received a copy, the secretary will mail one to you on request.
2. Active Membership: A candidate for active membership must be a physician or a scientist, active in radiology or an allied field. Physicians must be diplomates of the American Board of Radiology or eligible to be examined by the American Board of Radiology. The Executive Committee of this Society may grant active membership to physicians with other qualifications if these are considered appropriate. Candidates for active membership who are not physicians must hold board equivalent qualifications considered acceptable to the Executive Committee of the Society.
3. The Executive Committee will review all applications; it has the power to reject or to hold for further consideration such applications for membership that, in its opinion, do not fully comply with requirements for membership.
4. Please send the completed application with a check in the appropriate amount for membership status to the chapter administrator of the New England Roentgen Ray Society, Inc.:

Ginny DuLong  
New England Roentgen Ray Society
