

PROGRAM DESCRIPTION

Course Organizers:

Amanda Demetri-Lewis, DO, York Hospital

*Carolyn DeBenedictis, MD,
University of Massachusetts Medical Center*

Elizabeth Dibble, MD, Brown University

Regina Hooley, MD, Yale School of Medicine

*Hannah Perry, MD, University of Vermont Medical
Center*

The theme of this popular interactive Breast Imaging course is "Doing Best By our patients". This year we will focus on advocacy, diagnostic accuracy and patient shared decision-making. Our guest lecturer is Dr. Michael Linver, MD, FACR, FSBI who will be presenting "Screening guidelines and patient advocacy", and "Talking to patients - How to make a meaningful impact". Our morning program will focus on patient education, non-economic aspects of breast imaging and improving diagnostic accuracy. Our afternoon program will discuss what's new in breast cancer diagnosis and care, including contrast-enhanced mammography and molecular breast Imaging, plus oncology, cancer genetics and medical ethics, as well as challenging cases.

PROGRAM OBJECTIVES

As a result of participating in this activity, learners will be able to:

- Describe the controversy regarding screening mammography guidelines.
- Describe the emerging significance of breast density and risk in the screening and diagnostic setting.
- Optimize radiologist - patient care and interpersonal interactions in the setting of patient-shared decision making.
- Optimize current mammography, ultrasound and MR techniques and develop new strategies to improve overall diagnostic accuracy.
- Summarize the emerging role of new breast imaging technology.
- Be familiar with current breast imaging scientific literature and emerging state-of-the-art principles.
- Improve strategies to manage difficult diagnostic and biopsy cases.

CME CREDIT/ACCREDITATION

Accreditation Statement:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Massachusetts Medical Society and the New England Roentgen Ray Society. The Massachusetts Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

AMA Credit Designation Statement:

The Massachusetts Medical Society designates this live activity for a maximum of 8.0 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Risk Management Credit:

8.0 credits meet the criteria of the Massachusetts Board of Registration in Medicine for Risk Management Study

ASRT Credit:

Approved by the ASRT for *Category A* continuing education credit for a total of 9.5 credits.

BREAST IMAGING COURSE

Saturday, October 17, 2020

Course Directors: Amanda Demetri-Lewis, DO; Carolynn DeBenedectis, MD; Elizabeth Dibble, MD; Regina Hooley, MD; Hannah Perry, MD

AM Session: Patient Education— Regina Hooley, MD, Moderator

7:55 a.m.	Welcome	
8:00 a.m.	Screening Guidelines and Patient Advocacy	Michael Linver, MD
8:25 a.m.	Breast Density-Importance, Risk, Options for Screening	Shruthi Ram, MD
8:55 a.m.	Talking to Patients-How to Make a Meaningful Impact	Michael Linver, MD
9:25 a.m.	Leveraging Social Media for Your Practice	Randy Miles, MD
9:45 a.m.	Q & A	
10:00 a.m.	Break	

Improving Diagnostic Accuracy— Hannah Perry, MD, Moderator

10:05 a.m.	How to Avoid Missing Cancers on Mammography	Bianca Carpentier, MD
10:35 a.m.	Improving Ultrasound Diagnostic Accuracy	Elizabeth Watson, MD, MPH
11:05 a.m.	Optimizing Breast MRI Technique and Interpretation	Maryam Etesami, MD
11:35 a.m.	Q & A	
11:50 a.m.	Lunch	

PM Session: What's New in Breast Cancer Diagnosis and Care — Elizabeth Dibble, MD, Moderator

12:10 p.m.	Indications and Advantages of Contrast Enhanced Mammography	Tejas S. Mehta, MD, MPH, FACR
12:40 p.m.	Novel Breast Imaging Techniques	Regina Hooley, MD
1:10 p.m.	Cancer Genetics and the Importance of Predictive Testing	Marilyn McLaughlin, MD
1:40 p.m.	Review of Current Literature	Manisha Bahl, MD, MPH
2:10 p.m.	Q&A	
2:40 p.m.	Break	

Challenging Cases— Carolynn DeBenedectis, MD, Moderator

2:45 p.m.	Navigating the Difficult Biopsy	Priscilla J. Slanetz, MD, MPH, FACR
3:15p.m.	Multi-Modality Challenging Cases	Christina Cinelli, MD
3:45 p.m.	Breast Imaging in the Time of Covid-19	Amanda Demetri-Lewis, DO
4:15 p.m.	Q & A	
4:30 p.m.	Program Adjournment
